VIDEO MESSAGE OF THE HOLY FATHER FRANCIS A YEAR AFTER THE BRUMADINHO TRAGEDY (BRAZIL)

[Multimedia]

On this first anniversary of the tragedy of Brumadinho, let us pray for the 272 brothers and sisters who were buried. And we lament the contamination of the entire river basin. Let us offer our solidarity to the families of the victims, and our support to the archdiocese and to all the people who are suffering and need our help. By the intercession of Saint Paul, may God help us to repair and protect our common home.
