

ACT OF ENTRUSTMENT TO MARY "Behold, your Mother!'Jn O Virgin Mary, Jesus on the Cross wanted to entrust us to you, not to lessen but to reaffirm his exclusive role as Saviour of the world.

If in the disciple John all the children of the Church were entrusted to you, the happier I am to see the young people of the world entrusted to you, O Mary. To you, gentle Mother, whose protection I have always experienced, this evening I entrust them to you once again. All seek refuge and protection under your mantle. You, Mother of divine grace, make them shine with the beauty of Christ!

The young people of this century,

at the dawn of the new millennium, still live the torment that derives from sin,

from hatred, from violence,

from terrorism and from war.

But it is also the young to whom the Church looks confidently, knowing that with the help of God's grace,

they will succeed in believing and in living as Gospel witnesses in present day history.

## O Mary,

help them to respond to their vocation. Guide them to the knowledge of true love and bless their affections. Support them in times of suffering. Make them fearless heralds of Christ's greeting on Easter Day: Peace be with you! With them, I also entrust myself once again to you and with confident affection I repeat to you: *Totus Tuus ego sum!* I am all yours!

And each one of them cries to you, with me: *Totus Tuus! Totus Tuus!* 

Amen
