## **Audience with children assisted by the Santa Marta Dispensary**

This morning, in the Paul VI Hall, the Holy Father Francis received in audience the children assisted by the "Santa Marta" Paediatric Dispensary in the Vatican, with their families and volunteers.

During the audience, the children performed various songs and gave a short performance for the Pope. The Holy Father then addressed some words of greeting to those in attendance, and before taking leave, they presented him with a birthday cake.
